Re: United States v. Barffour Abeberse
Dkt. No. 15 Cr. 95 (AJN)

Dear Judge Nathan:

I am writing with the government's consent to request another extension to submit a letter application for a modification of sentence/recommendation to the BOP. This request is made because I am waiting for records from the BOP and the NYC Department of Corrections (DOC) that are pertinent to the application. The DOC records have to be obtained through a Freedom of Information Law (FOIL) request, which is pending. However, it is uncertain when they will be received.

Consequently, it is requested that the Court hold the application in abeyance and leave it to the defense as to when it will be filed; alternatively, that we be given until April 2, 2018 (one month) to provide the Court with an update.

Thank you for your consideration.

Respectfully submitted,
